General Selects Papers To Carry 1936 'Ad' Load

Once again placing leading newspapers among its major mediums of advertising, and assigning an important place on the list to the Redwood City Tribune, General Petroleum Corporation has just inaugurated its 1936 advertising campaign with the statement that newspaper space will be used quite regularly and consistently throughout the year.

Such is the information given out by B. A. Muir, branch manager for the company, who says:

"Based on statistics which have just been compiled, I am informed that 1935 recorded more progress for General Petroleum Corporation than many of the years in which it has been engaged in business throughout far western states. Admitting, of course, that the company was dependent on business conditions in general, plus quality and acceptance of its products and the personnel which makes up the corporation, a fair share of its progress is attributed to consistent and successful newspaper advertising.

"Therefore, it is but logical that the Tribune and other leading newspapers would be selected to carry the company's 1936 message to the motoring public. The campaign started with use of moderate-sized space in January to grow slightly larger and more frequent in February. The schedule provides for more dominating space in March and other months of the year, when the touring season is on in earnest."

$4792 From State Speeds Second Festival Plans

San Mateo county definitely will stage a second floral fiesta this year, the executive committee decided Tuesday, when it received reports that the state had forwarded a check for $2,192 and would send another of $2,600 the day the second show opens.

The group authorized George Davis, first show president, to name a nominating committee to select the new officers. Report of the committee will be heard March 3 at the San Mateo City Hall at 8 p. m.

Present from Redwood City Tuesday at San Mateo were Mayor Charles Lambert, Mrs. F. M. Perkins, Max Leonard, Paul Lowe, Roscoe Wyatt, Walter Clayton, Maj. H. W. Edmonds, William McCarthy and A. H. Sagehorn.

DAMAGES DENIED IN SUIT

Superior Judge Maxwell McNutt has denied damages to both parties in the suit brought by Earl R. Potter for $543.36 against the City of Burlingame for damages done Potter's machine when it collided with the car of Fire Chief Wilkie Dessin July 9, 1934. The city had asked $310.79 in a cross complaint.

BEERY ON SCREEN

Wallace Beery as he appears in "Ah Wilderness," the stage play made famous by Will Rogers, playing at the Sequoia Theater tonight and Saturday. On the same bill will be "Frisco Waterfront," with Ben Lyon and Helen Twelvetrees.

Safety Campaign Broadcasts Set By Western Auto

Faced with the appalling totals of 36,000 killed, more than 100,000 permanently injured, and well over a million persons temporarily disabled in automobile accidents during 1935, every community in the land has joined in a mass attack upon careless driving.

The Western Auto Supply Company believes that considerable force can be added to the nation-wide safety drive if every person be impressed with the tragedy, not alone of the accident, but its horrible influence upon the families of both the motorist and the victim.

In this manner it is hoped to drive into the consciousness of every driver and every pedestrian the fact that many more persons are irreparably injured in every accident than those who are killed or crippled.

To this end, the Western Auto Supply Company will broadcast a series of dramatizations of accidents and their resulting tragic effect upon the families of the persons involved—both driver and victim.

The program will be called "Death Rides the Highways." It will be released over stations KPO, KFI, KOMO, KHQ, KTAR, KDXL, KOA and KFSD every Saturday evening between the hours of 7:30 and 8 o'clock Pacific Coast Time, 8:30 to 9 Mountain Time. The first program will be on Saturday.

Short Change Attempt Brings Trio Jail Term

Three Negroes arrested on vagrancy charges by Redwood City police after they allegedly attempted to short change several local merchants were serving 60 days each in the county jail Monday, sentenced by Judge Edward I. McAuliffe. They pleaded guilty to the charges. They were William Trusty, 33; Knud Jones, 30, and Aubrey Lynn, 35, all of San Jose.

Jurors Insist Redwood City Pay Jail Cost

County Hits Practice Of Cities Refusing To Assume Share

The old custom of Redwood City, Menlo Park, Atherton and other peninsula "jailless" cities of housing prisoners in the county jail here without reimbursing the county for food drew the fire of the grand jury Tuesday night.

As a result of its consideration of the practice, the jury decided to recommend to Sheriff James J. McGrath that he contact municipalities to see if arrangements can be made to have them pay.

Redwood City is the main "offender," jurors said. Hardly an evening passes that this city does not lodge from one to a half dozen prisoners in the jail. Some are held there for several days. In the meantime, Sheriff McGrath is forced to feed the prisoners, and assume responsibility for them, jurors explained.

"We shall recommend that the sheriff discuss the problem with cities to determine the amount that should be paid and agree on some means of paying it," said Allen Ward, chairman of the jury's law enforcement committee. "Cities which are using the county's jail certainly should pay their share of the costs or else build their own jail."

The action was taken after Sheriff McGrath had entered a protest to the practice, jurors said. He has also objected numerous times to other juries, H. E. Casey, one of the present members who also served four years ago, said, but nothing has ever been done about it. This year, the jurors said, it was believed action should be taken.

Traffic enforcement and the Community Hospital also were discussed, jurors said, but no action was taken or recommendations made.

Ward House Paint Contest Interest Reported Lively

Interest in the Montgomery Ward paint contest increased today as indicated by the receipt of a large number of entry blanks, Thomas Joaquin, local manager, reported.

A number of excellent slogans have been received and forwarded to the committee of three judges in Chicago. The decision will not be made, however, until all entries are in. The closing date is Saturday, February 8, and all entries must be at the Ward store by 6:00 p.m. on that day.

The winner will receive enough Super House Paint to cover the exterior of his house with two coats. If the paint is purchased during the contest a double award will be made.

The contest, which has been creating no little interest among citizens with a "flare" for writing catchy sentences, and the general public, requires only the writing of a simple, twenty word slogan on the value of Wards Super House Paint and the filling out of the regular entry blank with spaces for the estimate of the amount of paint necessary to paint the house.

These blanks are available at the Ward Store. No purchase is necessary to secure a blank.

In case of a tie, duplicate awards will be made. The store manager pointed out the fact that the contest is easy and suggested such a slogan as "Super House Paint is as fine as money can buy."

The limit on the amount of paint to be supplied is 15 gallons.

Section Hand Seeks $20,000 Heart Balm

A South San Francisco Mexican section hand who accuses his wife of adultery today asked superior court to grant him a divorce from her and award him damages of $20,000 against her alleged paramour.

The suits are brought through the law firm of Larrouy & Macdonald by Francisco Sandoval. The divorce is asked from Isabella Sandoval, mother of the couple's two children, David, 3, and Arthur, 1. In the action he names Francisco Becerra, fellow-section hand, as co-respondent. In another suit he seeks the damages.

TRIBUNE SHARES ACQUIRED BY VIELHAUER AND McQUEEN IN KEEPING WITH POLICIES

WILLIAM VIELHAUER
Editor

GEORGE McQUEEN
Advertising Manager

Two Executives Have Captured State Honors In Respective Fields; Both Active In Civic Life of Community

William Vielhauer, editor of the Redwood City Tribune, and George McQueen, advertising manager, today became part owners of The Tribune, according to an announcement by Sam H. Winklebleck, publisher.

Vielhauer joined The Tribune editorial staff in May, 1927, as a reporter, having previously been connected in the same capacity with the old San Francisco Bulletin, which he left to accept The Tribune post.

In his early days on the staff, he covered the city hall and courthouse beats, and held the title of city editor before becoming editor of The Tribune in January, 1934.

Vielhauer had both editorial and business office experience on the Mountain View Register-Leader and several other Santa Clara valley publications before going to the San Francisco Bulletin.

STATE HONORS CAPTURED

In 1925, he won the Theta Sigma Phi cup at Stanford University for the best editorial to appear in any high school publication in California. He was editor at the time of the San Jose High School "Echo" and followed this with a journalism course at San Jose State College.

This year The Tribune editorial page, edited by Vielhauer, took second honors in statewide competition with over 300 non-metropolitan newspapers at the annual convention of the California Newspaper Publishers' Association in Santa Monica. An editorial from The Tribune also captured second honorable mention in the statewide contest.

JOINED PAPER IN 1929

McQueen became a member of The Tribune staff in May, 1929, becoming an advertising solicitor. He came here from Modesto where he was connected with the Modesto Bee.

In 1930, McQueen was named advertising manager of The Tribune.

During the past two years McQueen has received statewide recognition for his work in newspaper advertising. He is the retiring president of the California Newspaper Advertising Managers' Association of Northern California.

Two years ago he won state honors in submitting the best advertising idea at the convention of that organization. Last year he won first honors for the best merchandising plan for national advertisers.

McQueen represented the smaller city dailies in the media contest at the San Francisco Advertising Club and spoke before the Worlds Advertising Clubs' convention in San Diego last June.

IN LINE WITH POLICY

The inclusion of McQueen and Vielhauer as part owners of The Tribune is in line with the established policy of Peninsula Newspapers Incorporated, owner corporation of The Tribune, to permit those in executive positions on its newspapers to acquire ownership; and limits such ownership exclusively to those thus actively engaged in the publication of its newspapers.

Other principal stockholders of Peninsula Newspapers Incorporated are George F. Morell, president; Sam H. Winklebleck, publisher of The Tribune; E. R. Lovett, publisher; Dallas E. Wood, editor, and Eleanor Cogswell, city editor, of the Palo Alto Times.

Besides the Redwood City Tribune and the Palo Alto Times, the Peninsula Newspapers Incorporated publishes seven weekly papers on the San Francisco peninsula.

NEW TEAM IN BRIGHT COMEDY

What brand he is smoking doesn't seem to bother Fred MacMurray when the beautiful Carole Lombard lights up for him. Miss Lombard and MacMurray are teamed in Paramount's gay comedy, "Hands Across the Table," at the Redwood Theatre Sunday and Monday. It is a story of a manicurist and her romance with a penniless playboy. On the same bill is "O'Shaughnessy's Boy," with Jackie Cooper and Wallace Beery.

Blast Injuries May Cost Life Of Peninsulan

Patrick Carroll, 70, Hurled From House And Suffers Hurts

(Special to The Tribune)

SAN MATEO, Jan. 29.—In a blast which was heard all over Burlingame and San Mateo, Patrick Carroll, 70, incurred critical injuries last night when a gas filled house into which he was preparing to move literally blew up as he entered it with a lighted candle, and hurled him 50 feet, according to police.

Walls of the three-story house were blown out, the roof blasted off, and a tree next to the house rent in twain by the terrific explosion. Carroll, knocked unconscious, was thrown through one of the walls and apparently against the tree. Miraculously, he escaped death, but suffered second and third degree burns, scratches and bruises, possible internal injuries and a possible fractured skull, according to doctors at Mills Memorial Hospital.

His condition today was described as "fair." He had regained consciousness.

Carroll, who owned the house on East Mt. Diablo avenue a block from the Bayshore highway, had been preparing it prior to making it his home. For some time he had been living at the Vendome Hotel. Lights had not yet been turned on, and when he went to the place about 8:30 p. m. to do some more work, he lighted the candle before entering. Gas pipes he himself had installed apparently were leaking, and the place had filled with fumes.

No fire followed the explosion. Windows in the Zion African Methodist Church near the place were broken out by the blast and windows were rattled in homes within a radius of several miles. Electric wires knocked down perfiled the crowd of nearly 2000 people who flocked to the scene, attracted by the blast.

Carroll is a retired employe of the Wisnom Lumber Company.

Sequoia Bakery Opening Set For Saturday

Mr. and Mrs. Henry Hansen today announced the opening of the Sequoia Bakery, 2726 Broadway, to take place tomorrow beginning at 8 a.m.

The new bakery has been completely equipped with the most modern fixtures and machinery of all types.

Home-baked bread, pies, cakes, cookies and other delicacies will be baked fresh daily. Danish pastry will be a specialty of the new firm.

Mr. Hansen was for 12 years proprietor of the Almond Blossom Bakery in Burlingame known throughout the peninsula for its fine baking.

Quality ingredients will be used entirely in all baking and moderate prices will prevail.

Mr. Hansen will personally do all baking, assisted by his son, Henry Hansen Jr., who will be associated in the business. Mrs. Hansen will have charge of the retail sales.

Also affiliated with the Sequoia will be Mrs. Elsie Graham, formerly of the Enterprise Bakery.

Retrials Sought In Gavin Fee Suit

The $75,000 judgment awarded Attorney George K. Ford against Eugene Aureguy, investigator for Mrs. Constance May Gavin, has resulted in both sides determining to seek a new trial.

Attorney Walter H. Linforth, representing Ford, will move for retrial because the jury in the first trial failed to find that Mrs. Gavin owed Ford anything for the work he declares he did for her while she was preparing her attempt to prove herself a disowned daughter of the late James L. Flood.

Attorney George Harris, representing Eugene Aureguy, co-defendant with Mrs. Gavin, will ask a new trial because his client was assessed with a $75,000 judgment in Ford's favor by the same jury.

NEW DUPLEX PLANNED

David Houseman has secured a permit at the city hall to construct a 6-room, 2-bath duplex at 130-32 Pine street at a cost of $2000.

NEW SEQUOIA CREAMERY OPENING SET SATURDAY

Tomorrow morning at 8 o'clock the new Sequoia Creamery will formally open for business, according to an announcement made today by Carl Bladh, proprietor.

The new establishment, located at 2658 Broadway, was formerly the University Creamery and was purchased in November by the new owner. It has been completely modernized and rebuilt at a cost of $10,000, making it one of the finest creameries in the state.

The new 50-foot soda fountain and counter are in walnut finish with red leather trimmings. Huge mirrors form a background lighted in modernistic fashion.

There are eight attractive booths for those who prefer table service, making the combined seating capacity total nearly 100 persons.

The Sequoia Creamery will manufacture its own Sequoia Brand Ice Cream and will continue to conduct a wholesale as well as retail business on this product.

Another feature will be homemade candies of many types.

Mr. Bladh, the new proprietor, comes to Redwood City from Stockton, where he has been actively engaged in the creamery business for the past 20 years. He is a member of the Redwood City Kiwanis Club. Mr. Bladh has also acquired the University Creamery in San Mateo.

Cheatham Views Prospects Good For 1936 Sales

Nineteen-thirty-six will see continued improvement in general business conditions, is the opinion of Mr. A. B. Cheatham of the Good Housekeeping Store, local Westinghouse refrigerator dealer, who has just returned from the annual dealer meeting held in San Francisco. This meeting, sponsored by Colvin-Tempeton, Inc., Westinghouse refrigerator distributors, was attended by 500 dealers and salesmen who heard the advertising and promotion plans for the current year.

"The Westinghouse Company is decidedly optimistic toward, not only general business conditions, but also refrigeration sales for 1936," Cheatham stated. "To back up this optimism, our company has already spent more than a quarter of a million dollors to expand and enlarge their refrigeration production facilities.

"This expansion follows closely on the heels of a similar production recently completed for the past 1935 season. They anticipate the increased demand will be large enough to justify this expenditure, as all indications point to a greater sales volume due to additional purchasing power, public acceptance and an expanding replacement market."

The Westinghouse Company has increased its advertising and promotion budget proportionately to get its share of potential sales, Mr. Cheatham states. The new plans for the 1936 season were revealed at the dealer meeting for the first time.

Shell Plans Big Advertising Use For 1936 Sales

Shell Oil Company today announced the start of its 1936 advertising program which will rank with the largest and most comprehensive ever undertaken by any Pacific Coast organization. Newspapers will form the backbone of Shell's 1936 sales promotion work and 371 different dailies and weeklies will be used.

The Redwood City Tribune has been chosen to carry news of Shell's products to residents of this territory and will be one of the important units of Shell's advertising program, according to L. M. Hausam, local manager for Shell, who has just received details from W. P. Durkee, vice-president in charge of marketing.

"The business picture at this time is most favorable," Mr. Durkee wrote. "There is optimism in every line of business. Service station operators are in a particularly good position to reap dividends this year because hundreds of thousands of new cars have been put into circulation and travel is increasing every day.

"Shell expects 1936 to be a year of steady advancement and the advertising program which the management has authorized is evidence of their confidence in the business situation."

Mrs. Lydia Hill Dies After Long Illness

Mrs. Lydia Hill, wife of Louis G. Hill, passed away Wednesday at her home at 1027 Clinton street after a long period of ill health.

Mrs. Hill, who was 59, had lived here for the past 15 years. She was a native of Norway.

Besides her husband, she is survived by a son, Verne Hill of Redwood City.

Funeral services will be held Friday at 2 p. m. at the Layng & Tinney Funeral Home. Elder I. M. Burke of the Seventh Day Adventist Church will have charge of the services. Interment will follow in Alta Mesa Memorial Park.

Sequoia Graduates 15 For Mid-Term

Sequoia's mid-term graduates number 15, it was learned today from Miss Julianne Wolters, registrar and vice principal.

The new semester began Monday but last quarter's grades were not released until today.

The graduates are: Robert Jack, Allen Sims, Red Brink, Ann Holdal, Elizabeth Kuzaka, Maxwell Leonard, Dorothy Maloney, Dorothy McPeak, Margot Meredith, Arline Peak, Stanley Robertson, Stanford Herzbrun, Richard McIntosh, Beverley Nowinski and Maureen Walsh.

TRAVEL LURES RAILROADER

TOLEDO (IP)—After seeing almost 3,500,000 miles of country from the cab of a railroad locomotive, Matthew J. Printy has retired with 56 years of service behind him—to travel. He wants to see some of the points he missed before.

MENLO PARK NEWS

There was a large attendance at the dedication of the Red Cross emergency branch at the fire house Friday evening. Among the speakers were Dr. Gans, Mrs. Devol, Mayor Cooper, Mrs. P. E. Bush, Mr. Baker, Mr. J. Howell, president of the fire commission, and E. F. Hara, assistant fire chief. He explained the method used in giving first aid. Hara gave a very interesting talk, demonstrating his wonderful knowledge of his subject.

The many friends of Mrs. Hans Agard will be pleased to learn that she is convalescing from her illness and will soon be able to return to her home here from Palo Alto.

Dog owners in town are compelled to pay a license or lose their pets. When the collector comes around, look cheerful and pungle up for no canine can escape the iniquitious tax, doggone it!

The Menlo Park Sanitary District has awarded a contract to lay sewers on Ravenswood, Arbor and Olive avenues amounting to $6,000, a portion of which is to be paid by the government. All the work done on Ravenswood avenue is to be paid by the latter. The improvement is much needed.

Miss Ruth Ruggard of Walnut Grove is a guest of Miss Carmel O'Keefe, Oak Grove avenue.

Miss Dominga Macondray, who comes from a pioneer Atherton family, will be united in marriage to Charles Albert Vance Jr. on February 25. He is the nephew of Mr. and Mrs. Charles Holbrook Jr., with whom young Vance has always lived. The pretty bride-to-be is the daughter of Mrs. A. Macondray and the late Arthur Macondray, who was the son of the late Mrs. P. W. Selby. After the honeymoon, the couple will reside in Stockton.

Miss Macondray has many important family connections, being related to the Atherton, Otis and Eyre families. Her aunts are Mrs. Perry Eyre, Mrs. Macondray Moore, Mrs. Eugene Davis, Mrs. George Puccini, Mrs. Harry Hunt and Mrs. Frank Johnson. She is a cousin of Mrs. Duvall Dickey, Mrs. Marshall Madison, Mrs. Herman Phleger, Mrs. Clift Lundborg, Mrs. Eric Pedley, Miss Mary Hayne, and the Messrs. Frederick Macondray, Edward Eyre, Atherton Eyre and Lieut. Atherton Macondray.

The author of the book, "Mutiny on the Bounty," from which the play of the same name was written, was here from Tahiti, South Sea Islands, last week to purchase ring neck pheasants for his vast estate on the South Pacific. He left an order for 200. Mr. Reynolds, of North Palo Alto, a dealer, is filling the order. Some years ago California quail were sent to the estate and at last reports the birds were thriving and multiplying rapidly. The author, who spent his boyhood in this community, plans to stock his holdings with rare birds.

CARTER FILES ALAMEDA AIR BASE APPEAL

Citizens Overwhelming Vote Followed Up By House Action

Following approval of Alameda citizens by a vote of 8284 to 378 to give the United States government 929 acres of tidelands for construction of a seaplane and airplane carrier base, Rep. Albert Carter, Alameda, Wednesday introduced in the house a bill to appropriate $1,300,000 for construction of the station, the Associated Press reported from Washington.

If the navy makes good on its promise to Alameda to locate the huge base there in exchange for the gift of land, the peninsula's hopes that it might get the base will be dispelled.

Approval of Carter's bill and development of the project by the navy will end the controversy started when Rep. John J. McGrath, San Mateo Democrat, sought to have the base established at Coyote Point, near San Mateo.

While the intial appropriation for the base is to be only the $1,300,000, it is expected the federal investment may eventually reach $40,000,000, Congressman John H. Tolan is reported to have said in Washington.

ATHERTON COLLECTIONS

ATHERTON, Jan. 29—Collections of the city's 1935-36 first tax installments amounted to $14,472.49, the Atherton city council was notified at its regular meeting yesterday afternoon by County Controller E. M. Strack.

SCHOOL CHIEF VISITS HERE

Dr. A. A. Douglass, chief of the state division of secondary education, was a guest at Sequoia high school today. Sequoia Principal A. C. Argo planned several conferences to be held with Douglass and the school faculty.

Aiken county, S. C., is one of the leading kaolin (porcelain-clay) production centers in the United States.

SEQUOIA PRAISED BY SCHOOL CHIEF

State Official Thinks Local Plan Is One Of Finest Seen

Conclusion that the Sequoia high school plant is "one of the best adapted to the purposes of education that I have seen in a long time," was reached by Dr. A. A. Douglass, chief of the state department of secondary education, after an all-day visit to the local school Wednesday.

Conferences with the principals and teachers occupied the state head, who knew Principal A. C. Argo many years ago in Washington and who was a teacher in Washington State College, Pullman, of S. S. Mayo, Sequoia night school principal, and his wife.

In a talk before a group of the faculty, Dr. Douglass said that improvement of the high school was one of the chief goals of the state department of education.

"Three things," he said, "have hindered progress in the secondary schools. One of these is the department's own conservatism; the second, conservatism of the teachers, and the third, conservatism of the colleges who have insisted on certain definite requirements."

To overcome these faults, he explained, 12 state high schools, of which Sequoia is one, were selected to institute progressive curricula.

Emphasis in these schools is being laid on social sciences, citizenship, applied sciences and home relationship courses such as home finance and home budgeting.

BIG GRAND OPENING

SATURDAY
FEBRUARY 1st
8:00 A. M. SHARP!

Of the Peninsula's Most Modern, Attractive and Clean Confectaurant and Fountain, the

SEQUOIA CREAMERY

2658 BROADWAY **REDWOOD CITY** **PHONE REDWOOD 164**

(Formerly the University Creamery)

In opening the new Sequoia Creamery to the public of Redwood City and Southern San Mateo County Saturday and Sunday, we bring to Redwood City one of the finest Soda Fountains and Creamery establishments on the entire Pacific Coast. At a cost of $10,000.00 we have completely rebuilt the location and installed a beautiful 50-foot fountain and booths with a combined capacity of 100 people at one time.

We will manufacture our own Sequoia Ice Cream and will also feature our own home made candies.

At the fountain we will serve all kinds of plain, toasted and hot cooked sandwiches prepared to order, as well as all regular fountain specialties . . . MILK SHAKES, ICE CREAM SODAS etc.

Only the very highest quality of ingredients will be used in all of our products and strict sanitary conditions will prevail.

We cordially invite the men, women and children of this entire community and surrounding territory to visit us on these opening days . . . we will be happy to meet you.

Sincerely yours,
CARL BLADH, Proprietor.

12 Tentative Lamson Jurors Are Seated

(Special to The Tribune)

SAN JOSE, Jan 29.—Twelve persons, six men and six women were tentatively seated in the jury box today as David A. Lamson's fourth trial on wife murder resumed in superior court here with indications that a jury may be selected before the end of the week.

Forty-two jurymen remain of the venire called.

This morning the prosecution used three of its peremptory challenges, bringing its total of challenges used to six; the defense used two, bringing its total to 5.

A. D. Fisher, retired engineer of Palo Alto, is the only one of the jurors seated who lives in the northern part of Santa Clara county.

CRASH SUIT SETTLED

The $50,000 suit brought by Mrs. T. J. Hallinan against Norman L. Waggoner, Norman L. Waggoner Jr. and Clyde Weigler as the result of injuries incurred in an automobile collision Christmas Day, 1934, has been settled, it was disclosed today when Mrs. Hallinan, wife of the manager of the California Pacific Title & Trust Company, filed request for dismissal through her attorney, Vincent W. Hallinan.

Heise Estate Left To Local Daughter

Under terms of a will dated August 12, 1918, and filed for probate in superior court today, all the estate of Mrs. Charlotte M. Heise, Woodside native who died here January 16 at the age of 70, was left to her daughter, Mrs. Mura W. Davis, 712 Winslow street.

The estate, value unestimated, consists of cash, stocks, jewelry and personal and real property.

Witnesses to the 18-year-old will were Edward F. Fitzpatrick and Gertrude L. Geary.

Mrs. Heise, the widow of E. P. Heise, former local grocer, was a well-known lodge and church worker and had remained active almost until the time of her death.

Governor McAlister of Tennessee has created a body of honorary colonels.

BANK of AMERICA brings *bank credit* to the installment buyer!

Bank of America
NATIONAL TRUST & SAVINGS ASSOCIATION

A. P. GIANNINI
CHAIRMAN OF THE BOARD OF DIRECTORS

January 20, 1936

To Managers of all Branches
of Bank of America N.T. & S.A.
in 264 California Communities

Gentlemen:

At the present time the character of banking service is changing. Today there is a growing recognition of the credit needs of the individual.

By the establishment of the Installment Credit Department, Bank of America makes bank credit available to all qualified installment buyers.

You, as a Branch Manager, and your staff can do much to increase the usefulness of our Installment Credit Department by informing your customers that we are actively interested in making this service available to them.

Point out the lower cost of this service, the convenience and friendliness of our neighborhood branches. Above all, explain the value of establishing a credit standing with California's only statewide bank. Bank of America welcomes the small borrower.

Yours sincerely,

A. P. Giannini

APG:R

MODERNIZATION AND EQUIPMENT
LOAN DEPARTMENT affords credit for the improvement and modernization of your home, store, farm buildings, factories, or other real property.

McGrath to Ask 2 New Airships Be Constructed

Acting upon recommendations carried in the Durant Commission report, Rep. John J. McGrath, San Mateo Democrat, plans to offer a resolution in congress directing the navy to prepare plans and specifications for two lighter-than-air craft replacing the fallen Macon and Akron, the Associated Press reported today from Washington.

McGrath said his resolution would authorize Secretary Swanson "immediately to prepare plans and specifications for two lighter-than-air craft together with estimates of the approximate cost of such craft to report the same back to the naval affairs committee of the house."

Additional hope that Moffett Field near Sunnyvale would again become a lighter-than-air base was given when it was recalled that the navy in transferring the base to the army kept an option to resume airship operations there in 1940.

The fact army operations have merely marked time since its occupancy last October and that little of its equipment and personnel was brought up from San Diego's Rockwell field gives rise to the belief the army has been waiting to see if the navy plans to exercise its option.

Port Application Now on Way East For Cash Appeal

Acting City Manager Charles Dimmitt was notified today that Redwood City's harbor application was speeding east by mail, following its dispatch Tuesday by A. D. Wilder, WPA administrator in San Francisco.

Dimmitt notified Congressman John J. McGrath that the application was on its way. McGrath is making strong efforts in Washington, D. C., to secure approval of the $66,000 PWA funds requested.

The presence in Washington, D. C., of Supervisor Albert Witt Jr., Colma, and Hugh Pomeroy, planning advisor, will be utilized with an appeal that they support the harbor application. They expect to be there until February 8.

Meanwhile, further delay attended the request for an opinion as to Redwood City's legal rights to proceed with the project. An opinion was expected momentarily from Atty. Gen. U. S. Webb's office in San Francisco.

RELIEF NOW SEMI-MONTHLY

(Special to The Tribune)

BURLINGAME, Jan. 29.—Beginning February 6 relief checks will be paid semi-monthly instead of weekly, it was announced today by County Relief Director Capt. L. G. McAloney. Relief workers will get two checks February 10 to take care of the initial gap caused by the new ruling, Capt. McAloney said.

First Aid Team Gets Bid to S.S.F. Plant

Fame achieved by the Redwood City Fire Department's first aid team resulted today in its being invited to appear February 5 at the Pacific Coast Steel Company's plant in South San Francisco to give a demonstration. On the team are Al W. Russell, Harry Stephens, Henry Tarratt, Will Debenedetti, Richard Drivon, H. E. Holmquist, Jack Hundevadt and George Locatelli.

COAST DEALER CITED

Mary Terry, 34, of Half Moon Bay, was booked at the county jail Tuesday afternoon, only to be released on bail shortly afterward, on charges of possessing illicit liquor. She was arrested by Officers Trade and Laird of the Federal Alcohol Control Bureau, San Francisco.

The federal crop reporting service forecasts $26,500,000 boxes of citrus-fruits for Florida's 1935-36 season.

BELATED WORD FROM ISLANDS SAYS POWER'S DEATH MISHAP

Information which came from the Philippines today, two months to the day since his tragic passing, brought word that the death of Harold M. Power, former cement plant manager here, died of a gunshot wound accidentally inflicted.

Power's death had previously been reported as a suicide.

Mrs. Olive Power, his widow, who writes from her home in Cebu, Philippine Islands, has sent the information by letter to L. E. Bostwick, 29 Lowell, and others.

Mr. Power, she said, had been in the habit of carrying an automatic revolver in a shoulder holster under his shirt for protection. The day following Thanksgiving, as was his custom, he went to his residence during the noon hour for lunch and a siesta; when he was about to return to the cement plant, he put on his hat and was placing the gun under his shirt when it caught in his clothing and was discharged, killing him instantly.

Power, who was a captain with the 20th Engineers in France during the World War, had a notable career in civil life. Born at the Hidden Treasure gravel mine in the south, he had much mining experience, and following the war was in charge of the Pacific Portland Cement Company's operations successively at Mound House, Nev.; Solano and Redwood City.

Surviving in addition to his father and widow are two children, Harold M. Power Jr. of New York City, and Helen Power, Oakland, and three brothers, Henry F. Power, Edward J. Power and Ray T. Power, all of Southern California, and two sisters, Mrs. Genevieve Seabrook, Southern California, and Mrs. Anita Gouglemann, New York City.

Probation Officer's Son Gets Scholarship

(Special to The Tribune)

SAN MATEO, Jan. 29.—Frances Robinson, 15-year-old six-foot son of County Probation Officer Francis J. Robinson, this afternoon was to be honored at graduation exercises at the Turnbull as a result of his being declared winner of the Turnbull scholarship award.

The young basketball star was the 10th winner of the award established by the late William F. Turnbull. Originally the scholarship amounted to about $1000, but lately the $35,000 trust fund has not produced that amount. The recipient can use the money as he chooses, either for his high school or college education or to enter business after he reaches 21.

Sequoyah, a Georgia Indian, invented an alphabet of his own although he was unable to read or write.

Atherton Boy Object Of Search By Police

(Special to The Tribune)

ATHERTON, Jan 29.—A search for an Atherton youth who packed his belongings and supposedly set out from his home bound for Alaska was underway today.

The missing boy is Jerry Connelly, 15, who lived with relatives at Loma Vista avenue. Also missing at first was Charles Sudden Blair 16, grandson of the Sudden Lumber Company head and son of H. R. Blair Jr. He later was reported to have returned to his home.

The runaway youth apparently planned his trip in advance. He had fitted himself with heavy hobnailed walking shoes, police learned.

COMMISSION CLERK DIES

(Special to The Tribune)

SAN MATEO, Jan. 29—George Mansfield, 55, who has been recorder for the state railroad commission for the past five years and who formerly resided here, died today in San Francisco. He was credited with being the man who developed the orange industry in Butte county.

IN THE new homes you have seen being built everywhere during the past year—nine out of ten are equipped for gas heating. Why? The answer is that gas heating equipment gives more real value, is less expensive to buy than any other type of heating equipment which will do the same satisfactory heating job.

The owners or builders of these new homes did not buy blindly. They learned the facts about gas heating from architects and contractors. In first cost modern gas heating equipment is less. In operation there are no complicated gadgets—in fact gas heating equipment is as easy to operate as a kitchen gas range.

One year from now or ten years from now, the owners of these new homes will be just as enthusiastic about gas heating as they are right now. Year after year nothing can give as much comfort, convenience and all 'round satisfaction. Why not investigate gas heating for your home? Take advantage of the exceptionally easy purchase terms now in effect for all types of gas heating equipment. You can afford gas heating. It costs no more than old-fashioned methods of heating.

F. H. A. BARGAIN TERMS END IN MARCH
...Buy the modern gas appliances you need NOW while these bargain terms are still available.

it's the Tops
SAFEWAY
CANNED FOODS SALE

Don't just take our word for it . . . that this is the "tops" in bargain events!

Simply do a little checking up at your Safeway store. See if you don't agree that the canned foods—offered during this annual sale — are "tops" in quality. "Tops" in money-saving values, too.

Ready for you are the brands and varieties you know and like. The kinds of canned foods you can depend on — for fresh-packed fineness and flavor-goodness.

It's an opportunity of the year to lay in a good supply of fine foods — at real economy prices. This week!

FRIDAY AND SATURDAY JAN. 31 FEB. 1ST.

Service Station Man's Kidnaper Widely Sought

Authorities in the bay district were on the lookout Monday for a bandit who held up and then kidnaped a Santa Clara service station attendant yesterday morning.

Victim of the holdup was Jay McHenry, 26. He was alone in the station about 3 a. m. when a man who bought two gallons of gasoline stuck a gun in McHenry's ribs when he opened the cash register.

Pocketing contents of the till, the robber forced the attendant into the driver's seat of his car, then forced him to drive north toward Palo Alto while the thug sat in the back seat. After about four miles, McHenry was told to halt. He was allowed to get out, and made his way back to Santa Clara afoot.

RECKLESS DRIVER FINED

(Special to The Tribune)

BURLINGAME, Jan. 28.—John C. Roche of Burlingame paid a $25 fine for reckless driving when he appeared yesterday before Judge Rockwell L. Stone of Burlingame.

Train Crash Death Held Unavoidable

(Special to The Tribune)

BURLINGAME, Jan. 29.—"Unavoidable death," "accidental death," and "suicide" were verdicts brought in here today by a coroner's jury investigating the respective deaths of Ernest Garibaldi, Albert Mosinske and Mrs. Lillian Warren.

L. J. Covell, engineer of the Southern Pacific train which struck Garibaldi's car at a Millbrae crossing January 22, testified that the young San Francisco druggist drove onto the tracks in face of the wig-wag system and the train's whistling.

Kenneth C. Dugger, owner of the car and companion of Mosinske at the time he was killed when the pair turned over four times on the Bayshore highway near Burlingame, testified Mosinske lost control of the car and it skidded into soft dirt. George Parcker of San Francisco told the jury, however, he thought Mosinske was racing another machine.

Mrs. Warren strangled herself to death January 25 in a Menlo Park sanatarium, the jury meeting in Coroner William Crosby's office was told.

Menlo Park Seeking Hetch Hetchy Water

MENLO PARK, Jan. 29—Hetch Hetchy water for Menlo Park within a year was predicted by Mayor James E. Cooper last night at the city council meeting.

Cooper announced that he was determined to acquire the new water, and that he was convinced that the cost would be little or no greater than the present rates.

"The Bear Gulch Water Company is willing to co-operate with us," Cooper declared, "and I have been informed that they would supply us with Hetch Hetchy water if they could maintain their present margin of profit by buying wholesale from San Francisco and distributing the water at a profitable increase."

Santa Clara County Pays Off Base Pledge

(Special to The Tribune)

SAN JOSE, Jan. 29.—Banks in Palo Alto, Campbell, Los Altos, Morgan Hill, Mountain View, Sunnyvale and San Jose today were canceling notes from individual guarantors in their respective communities for the county's $124,000 pledge towards the Moffett Field airbase. Cause: the final payment of $8500 was made yesterday. Altogether $479,065 was pledged toward the base by San Mateo, San Francisco, Alameda and Santa Clara counties.

Truckman Escapes Fire Death As Vehicles Crash on Bayshore

Fred R. Miller, 25-year-old Salinas trucker, narrowly escaped serious injury or death early on Monday when his lettuce-laden truck and trailer crashed into the rear of another truck at 3 a. m. on the Bayshore highway four miles south of Redwood City and burst into flames.

Driver of the other machine was A. H. Pierce of Modesto.

Menlo Park firemen who extinguished the blaze said that the impact caused the front gasoline tank on Miller's truck to explode. The driver managed to extricate himself from the cab, suffering only scratches and bruises. Firemen estimated about $2,000 worth of damage was done the vehicle and its cargo, en route to San Francisco from the Salinas lettuce fields.

Other accidents brought injuries to a half dozen people over the week-end.

In Redwood City the car of Myron Malcolm of San Francisco overturned on the Bayshore highway, causing Mary Arakian to suffer contusions; Mrs. Angel Malcolm, lacerated scalp and elbow, and Rosimond Malcolm, possible fractured vertebra.

Malcolm told local police he swerved off the highway to avoid being hit by the machine of Robert Morill of San Francisco, who was approaching the Bayshore highway from Chestnut street. The accident happened at 6:20 p. m. Sunday.

George F. Nesbit Jr. of Menlo Park reported to officers that at 5 o'clock Sunday afternoon a 7-year-old boy named Celotti and living at 413 Buckeye street, Redwood City, had incurred scratches when he crashed his bicycle into the Nesbit machine.

Three San Franciscans were injured slightly when cars of Gaylor B. Lyon and John H. Catron collided on the Bayshore three miles south of Redwood City Saturday night.

Bernard Byrne, San Francisco, incurred cuts and bruises when a car in which he was riding with Payton Webb, San Francisco, overturned on the Skyline boulevard.

In an accident on El Camino Real near Old Middlefield road, Menlo Park, John Franklin, 60, of Palo Alto, and Mrs. A. J. Kelly, 930 Highway, Menlo Park, incurred minor injuries late Sunday.

Accidents in which a motorist can be held at fault will bring arrest of that driver in the future, Capt. Paul Perussina announced today. He disclosed that he has been investigating several recent crashes, with the result that reckless driving complaints will be filed against James Franz, 45, whose car rolled over on Juniperro Serra boulevard sending three passengers and himself to the hospital January 21; William Clifford, San Francisco, whose car struck a telephone pole near Tanforan January 22; John S. Diaz, San Francisco, whose machine collided with that of Henry Michaels of Oakland January 19 on the Bayshore highway near Bayshore City, and Mrs. Vivian Neilsen, Santa Cruz, driver of the car which early Friday went off the Skyline boulevard.

Perussina said state highway patrol headquarters in Sacramento had ordered thorough investigations of all accidents, with arrests if negligence could be shown.

54,007 Patient Days Recorded For Community

Over 2,034 patients spent 54,007 days at the Community Hospital in 1934-35, Eugene Clapp, business manager, told the Exchange Club Tuesday, in telling of the heavy demands on the hospital and the efforts waged to cut the expense without curtailing care of indigent sick. The average stay was 24 days.

In the outpatient clinic, 8,847 patients were examined, and 5,649 persons received treatment.

The average cost per day for bed patients was $2.62.

Payments from patients who were able to pay $1 or $2 per day and 10 to 25 cents in the clinic brought a return of $9,987 and $891, Mr. Clapp said.

Joseph Baughn was chairman.

JURORS BALK SPEED TRIAL

(Special to The Tribune)

SAN MATEO, Jan. 29.—Because only 15 of a panel of 35 jurors appeared today, the case of Fred Benioff, San Francisco furrier accused of speeding and refusing to sign a traffic citation, was continued by Justice of the Peace Hugh Mullin to February 4.

Purity Will Occupy Old Ward Store Unit

Early establishment of the second Purity Grocery Store in Redwood City was disclosed today when Contractor L. N. Pollard secured a building permit, on behalf of the Andrew Investment Company, owners, to remodel the store building adjacent to the Western Auto Supply Company at 2629 Broadway.

Work began at once on the alterations, which will cost $3,450, according to the permit. The Purity Company plans also to continue operation of its store at 925 Main street.

Addition of the new store to the business district of Redwood City will cause the building occupied by Montgomery Ward & Company before it moved to 2317 Broadway to be completely filled, Western Auto having a third and Sprouse-Reitz Company a third.

Julius Smith represented the Andrew Investment Company in the deal.

NOTICE OF SALE OF REAL PROPERTY AT PRIVATE SALE
No. 6805
Dept. No. 1

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of ANDREW O. SONNICKSEN, deceased.

Notice is hereby given that under and pursuant to the law made and provided, the undersigned MARTHA SONNICKSEN, executrix of the last Will and Testament of Andrew O. Sonnicksen, deceased, will sell at private sale to the highest and best bidder, subject to confirmation of said Superior Court on or after the 15th day of February, 1936, all the right, title and interest of said deceased at the time of death, and all the right, title and interest that the estate of said deceased has acquired by operation of law or otherwise, other than or in addition to that of said Andrew O. Sonnicksen, deceased, at the time of death, in and to all that certain real property particularly described as follows, to-wit:

That certain lot situated in the County of San Mateo, said State, particularly described as lot numbered Three (3) in Block lettered "E" as shown on that certain map entitled "Map of Hoag and Lansdale Subdivision of a portion of the Town of Menlo, Menlo Park, California," filed in the office of the County Recorder of San Mateo County July 15, 1907, in Book 5 of Maps at page 16.

Terms of sale: Cash in lawful money of the United States on confirmation of sale. Ten per cent of amount bid to be deposited with bid.

Bids or offers must be in writing and may be delivered to the undersigned executrix personally, or may be left at the office of Paul A. McCarthy, her attorney, Room 404 Alexander Building, 155 Montgomery street, in the City and County of San Francisco, State of California, or may be filed in the office of the Clerk of said Court at any time after the first publication of this notice, and before the making of sale.

Dated this 28th day of January, 1936.

Peninsula Cities Register Protest AgainstNewDeal

Redwood City and three other peninsula cities for which records are available registered a vote of protest on New Deal policies in the Literary Digest poll, it was disclosed Tuesday, in each instance changing the stand taken in the 1934 poll. South San Francisco still gives the New Deal a slight edge.

Results of the two polls were:

	1935		1934	
	Yes	No	Yes	No
Redwood City	116	168	223	80
Burlingame	198	359	388	173

SUMMONS
No. 24995

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

ALICE GERTRUDE FOSTER, Plaintiff, vs. GUY LESTER FOSTER, Defendant.

Action brought in the Superior Court of the State of California, in and for the County of San Mateo; and the complaint filed in said County of San Mateo in the office of the Clerk of said Superior Court.

The People of the State of California Send Greetings to:

GUY LESTER FOSTER, Defendant.

You are hereby required to appear in an action brought again you by the above named plaintiff, in the Superior Court of the State of California, in and for the County of San Mateo, and answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this Summons, if served within said county, if served elsewhere within thirty days.

And you are hereby notified that if you fail to so appear and answer, the plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

Witness my hand and the Seal of the Superior Court of the State of California, in and for the County of San Mateo, this 24th day of October, A. D. 1935.

Red Cross Seeks More Cash to Aid War Zone Victims

Another appeal on behalf of the Ethiopian Red Cross was voiced Monday by the Red Cross chapter here, of which Mrs. Z. T. Thorning is chairman. Admiral Cary T. Grayson, chairman of the Red Cross, said that the Italian Red Cross continues in the position that it does not require assistance.

Should this position be changed, Grayson said a later appeal on behalf of the Italian Red Cross would be made.

In his communication, Admiral Grayson said:

"The Ethiopian Red Cross to the extent of its means is organizing and placing simple ambulance units in the field.

"The Red Cross Societies of Great Britain, Norway, Sweden and the Netherlands are sending medical units to Ethiopia. The International Committee of the Red Cross feel that the national societies nearest to the scene of operations can furnish supplies and personnel and that the societies at a greater distance can at this time render most valuable assistance in the form of funds."

Contributions may be left at the local banks or at The Tribune office.

Decision on Chinese Due Next Tuesday

Dist. Atty Gilbert Ferrell and Deputy Louis D. Dematteis today awaited decision of Justice Wade H. Clay on the guilt or innocence of five Chinese accused of gambling in connection with the raid on the alleged den near Brisbane in which 98 Orientals were arrested. Following another day's hearing of the case Tuesday, Judge Clay took the matter under advisement, to make known his decision next Tuesday. Attorney Albert Mansfield of Redwood City represented the defendants.

RUG MAKING GAINS

CHICAGO (IP)—A revival of hand-hooked rug making at home, is reported by manufacturers of knitting yarns in the Merchandise Mart. Women, who are eager to keep pace with the current vogue for handicraft, have turned to the more easily learned crocheting of rugs.

NOTICE OF TIME APPOINTED FOR PROBATE OF WILL
No. 7048

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

PROBATE

In the Matter of the Estate of NOBLE M. STOVER, Deceased.

NOTICE IS HEREBY GIVEN that Tuesday the 4th day of February, A. D. 1936, at 2 o'clock p.m. of that day, and the Court Room—Probate Department No. 2—of said Court, at the Court House in Redwood City, in the County of San Mateo, State of California, have been appointed as the time and place for proving the will of Noble M. Stover, Deceased, and for hearing the application of Ruby Ransdall Stover for the issuance to her of Letters Testamentary thereon.

E. B. HINMAN, Clerk.
By PAUL L. JOHNSON, Deputy Clerk.
Jan. 17, 24, 31, 1936.
